Newsletter— April 2022

Dear Partners in Ministry,

Together we are touching many lives in the name of Jesus Christ our Lord. The various ministries we operate are doing a wonderful job of rescuing abandoned street teens, assisting the poor, raising orphans, and reaching the lost.

People frequently ask me, "What is our Greatest Need?" And my answer has been the same since the beginning in December 2004, "We need monthly Orphan Sponsors." At the present time we have 36 Webuye orphans who do not have the three monthly Sponsors needed. You can see and read a short biography about each of our orphans. Please consider it...

## "Katlyn's Korner"

"I made it back to Kenya in late March and have really enjoyed spending time with the kids. We had a visitor from the states come and she has been a huge blessing to me and the kids. She heads back this week and we will all miss her so much. Kenya elections are coming in August and we have already had many challenges because of it. Please pray with us for peace and order here in Kenya during these months to come. Thank you all for your continued prayers and support." - Katlyn Pollock

## THESE ORPHANS NEED SPONSORS- PLEASE PRAY...

**Look closely at those smiles & faces. You can tell those are not coerced smiles, they are genuine!** These kids are truly happy and are thankful to live in a safe place where they are loved dearly, fed three times daily, sleep in clean warm beds and are getting a public education that the majority of poor kids never get in Kenya. Our missionary, Katlyn Pollock, is doing a tremendous job loving and overseeing the care of these precious children. God has a plan for these kids!

This summer you have the opportunity to volunteer at this Children's Home. I would love to talk to you about going on our 17 day summer trip leaving on June 30 and returning on July 16<sup>th</sup>. A two night optional Professional Safari will be included and we will be showing The Jesus Film in villages. Click: [Info About Summer Trip To Kenya](#)

Have a Blessed Week!
