**KATLYN'S KORNER** – On September 27th, we had two new boys join the Encouragement family. The children's department brought us Eric and Kevin because of an abusive situation at home. Currently, their father is in prison and their mother abandoned them a few years ago. Eric is 11 years old and Kevin is 5 years old. They both have been warmly welcomed here with full meals, the gospel message, and a whole lot of love. I am so thankful that Encouragement can help children during what could be the hardest times in their lives. God has given us an opportunity and we couldn't do it without the support of you all. Thank you for your continued encouragement and support!

## Girl's Street Shelter – Saving Lives!

Brenda, 15 years old says, "I was staying with my foster mother and was forced to have sex with multiple men to raise food for her. I got so much disturbed. This was tough in my mind. One day I refused, she almost killed me. I ran for my safety all alone in the streets only to realize I am pregnant. I don't know the father of my child. I have never attended the clinic. Street life is not easy, not good especially for a girl. Thank God am here today because of His grace thank you for saving my life."

To God be the Glory!

We are blessed to have such a ministry. Your prayers and donations make this ALL possible! Please consider giving a one-time donation!

Your \$30 Christmas gift will put a smile on an Orphan's face on Christmas morning!  
Give now at [www.KenyaOrphans.org](http://www.KenyaOrphans.org) or by mail.

Celebrating Christmas is such a wonderful time for all, especially the children around the world. In 2004 Encouragement Inc. began supplying Christmas gifts for orphans in Kenya. Since then we have expanded our ministry to orphans in Uganda and to teenagers, male and female, living on the streets of Kakamega, Kenya. Your gift of any size will help us to provide a wonderful Christmas meal along with an age appropriate gift on Christmas morning. Your gift of love will put a smile on the face of a child or teen in the Spirit of Christmas
